st a little while back I received an email with the following information *“I don’t know if you are familiar with this program. George Noory has taken over for Art Bell. The program, a daily late night radio show, specializes in things like UFO’S , Bigfoot, Shadow people, the Occult etc.. George Noory is planning a special program on the Ouija Board, and is planning to use one on the air. His advisors have given him mixed opinions on this” He went ahead and played with the Ouija Board on the air*

This stations broadcasts in 75 countries around the world, no doubt reaching millions of listeners, I called the producer and requested a hearing, and he promised me he would take my phone call. I listened to the program from **10pm till 4am** waiting to get on the radio, alas he never put me on the show. I felt heartsick as I listened to the stories and the realization that millions of listeners were being introduced to Satan’s gateway to hell. What the average person doesn’t understand is where this satanic game originates from. Satan counterfeits every miracle that God performs. The Ouija Board is a counterfeit of the Urim and the Thummim. This was a method of revelation that was given to the leaders of the nation of Israel in doubtful cases. The Bible describes this as a garment that had supernatural power; and was worn by the High priest Aaron. King David received messages from the Urim and Thummim (1st Samuel 23:9-12) Here are some scriptures referring to the Urim and Thummim.

Exodus 28:30

Leviticus 8:8

Numbers 27:21

Deuteronomy 33::8

1st Samuel 28:6

Ezra 2:63

Nehemiah 7:65

What better way for Satan to counterfeit and reach millions across the world. I can write a book on the hundreds of stories I have heard from Christians who have at one time played this game with frightening supernatural power. I have enclosed a tract of one of the many stories of a gentleman that I personally counseled with. Please feel free to copy and distribute. If you wish I would be happy to send you further copies.

I am sending this tract to Parker Brothers the manufacturers and TOYS-R-US the purveyors to show them the damage they are doing, sending souls to hell, in order to line their pockets.

I am so grateful for your kind prayers and support

Love in Christ

Ben
