

## *Oprah Winfrey*

I have often watched Oprah Winfrey over the past several years; the reason, because many of her guests are well known New Agers and Spiritualists. The Oprah Winfrey Show is the highest rated talk show in television history seen by 10-15 million viewers each day.

She is now offering a course on New Age and this is coming straight from Satan's pit. I listened to a Christian minister label her as "the most dangerous woman in the world" and I concur" I saw her recently on television and she flat outright said that Jesus is not the only way, there are thousands of other ways. Oprah Winfrey has taken over the mantle from Shirley McClaine as the celebrity evangelist for the New Age movement.

Among Oprah's many New Age guests is James Van Praagh, a Spiritualist medium who is now charging \$495 for a week-end course at the Doubletree Paradise Valley resort in Scottsdale Arizona. This does not include hotel or meals; it is strictly for the workshop only.

The email I received advertising this event, has the following information.

***Connect & communicate with the Spirit World!***

***Spend an entire weekend with Internationally Renowned Spiritual Medium James Van Praagh.***

***Have your own experience with the Spirit World and Learn from the Country's Most Renowned Spiritual Medium.***

***Master Spiritual Medium James Van Praagh will teach you how to:***

***Understand the mechanics of being a spiritual medium,***

***Safely increase your own psychic abilities***

***Recognize energy fields around you and others***

***See, Feel and communicate with the spirit world***

***Send and receive telepathic thought and impressions***

I checked the ticket master and discovered James Van Praagh introducing people to Satan's domain will earn ninety thousand dollars for that week-end. This is not easy to write but we need to pray for that man's soul and the other sad people he is taking with him.

I have contacted a church in Scottsdale Arizona and they have promised to get as many as possible of my tracts into the hands of those souls going to the Spiritualist workshop at the Doubletree Paradise Valley resort in Scottsdale Arizona.

Thank you for helping me reach out to the lost.

Love in Christ

Ben
